TABLE OF RATES

Rates in Cents per Barrel of 42 United States Gallons

For Exceptions to Colonial Pipeline Company's Rules and Regulations Tariff FERC [W] ~~94~~ 93, supplements thereto or reissues thereof, see the following:

Exception to Item 5, Definitions:

"Carrier" means Colonial Pipeline Company.

"Originating Carrier" means Bengal Pipeline Company LLC.

"Shipment" means a volume of Petroleum Product offered to Originating Carrier at a point of origin for transportation through Originating Carrier's and Carrier's system to designated delivery locations.

"Tender" as herein used, means a nomination by a Shipper to the Originating Carrier of a stated quantity and grade of Petroleum Products for transportation from the specified origin in Louisiana to the specified destination at the exchange point of Baton Rouge, Louisiana in accordance with these rules.

Exception to Item 35, Origin and Destination Facilities:

For purposes of the joint movements in origin and destination Items of this FERC [W] ~~92~~ 95, all supplements thereto or reissues thereof, all of Item 35, FERC [W] ~~94~~ 93, supplements thereto or reissues thereof, is applicable, except as noted below:

Transit Privilege - At the request of the shipper, Petroleum Products may be stopped in-transit at Baton Rouge for storage, provided:

- (a) No backhaul by Originating Carrier is involved.
- (b) Shipper has provided storage facilities for receiving deliveries at Baton Rouge, LA at pressures and volumetric flow levels required by the Originating Carrier and Carrier.
- (c) Shipper has provided adequate pumping and other equipment to redeliver the Petroleum Products to Originating Carrier or Carrier at Baton Rouge, LA at pressure and flow rates established by Originating Carrier or Carrier, respectively.
- (d) When the Petroleum Products are reshipped from the Baton Rouge, LA storage, transportation charges for the continued movements shall be on the through rates from point of origin to final destination in effect on date of original shipment under this joint tariff and in accordance with Carrier's standard invoicing procedures and the provisions of paragraph (h) herein.
- (e) Upon delivery of the Petroleum Products into Baton Rouge, LA storage, the custody and possession of the Petroleum Products shall be that of the shipper and not that of the Originating Carrier or Carrier, and neither the Originating Carrier or Carrier shall be liable for loss and/or damage to such Petroleum Products while in storage.
- (f) A complete record shall be kept by shipper at Baton Rouge, LA of all shipments to be accorded transit privileges, under this joint tariff, supplements thereto or reissues thereof, and such records shall be kept open to inspection by representatives of the Originating Carrier and Carrier. Shipper requesting transit privileges shall submit to Original Carrier and Carrier a recap of inbound deliveries within thirty (30) days of the date of such deliveries.
- (g) Shipments forwarded from Baton Rouge, LA storage will be checked against the Originating Carrier's inbound records, and when all the volume covered by any one delivery is reshipped, such delivery receipt shall be cancelled for the purpose of this item, and further shipment against it will not be permitted.
- (h) Shipment must be tendered for re-forwarding from Baton Rouge, LA storage within twelve (12) months from the date of inbound movements into Baton Rouge, LA storage as indicated on the delivery records. If all or any part of a shipment covered by an inbound delivery receipt is not reshipped from Baton Rouge, LA storage within twelve (12) months, or if this joint tariff, supplements thereto or reissues thereof, is cancelled prior to the forwarding storage, of the product from Baton Rouge, LA such volume will be cancelled for the purpose of this item and transportation under this joint tariff, and said volume will be reconsigned to Originating Carrier's Convent, LA to Baton Rouge, LA local tariff which is in effect at the time the volume is re-consigned. Such volume will be for further movement in interstate commerce.

TABLE OF RATES

Rates in Cents per Barrel of 42 United States Gallons

For Exceptions to Colonial Pipeline Company's Rules and Regulations Tariff FERC [W] ~~91~~ 93, supplements thereto or reissues thereof, see the following: (continued)

Exception to Item 75, Delivery Adjustments:

For purposes of the joint movements in origin and destination Items of this FERC [W] ~~92~~ 95, all supplements thereto or reissues thereof, all of Item 75, FERC [W] ~~91~~ 93, supplements thereto or reissues thereof, is applicable, except as noted below:

- (a) Originating Carrier shall account to each shipper for all Petroleum Products received at the origin in Louisiana and delivered at the exchange point of Baton Rouge, Louisiana for further movement in interstate commerce. Any overage or shortage, not due to the negligence of Originating Carrier, shall be settled with each shipper by the Originating Carrier for such Petroleum Products received at the Louisiana origin and delivered at the exchange point above, as provided for in Originating Carrier's FERC 14, Item 75, supplements thereto or reissues thereof.

Petroleum Products quantities transported will be adjusted to allow for inherent losses, including but not limited to shrinkage, evaporation, interface losses and other losses. Pipeline loss adjustments will be made on the basis of total quantities transported.

- (b) Carrier shall account to each shipper for all Petroleum Products received from Originating Carrier at the exchange point of Baton Rouge, Louisiana and delivered at the Colonial destinations as published herein in origin and destination Items of this FERC [W] ~~92~~ 95, all supplements thereto or reissues thereof, for further movement in interstate commerce as provided for in Item 75, FERC [W] ~~91~~ 93, supplements thereto or reissues thereof.

Exception to Item 90, Proration of Pipeline Capacity:

For purposes of the joint movements in origin and destination Items of this FERC [W] ~~92~~ 95, all supplements thereto or reissues thereof, all of Item 90, FERC [W] ~~91~~ 93, supplements thereto or reissues thereof, is applicable, except as noted below:

When there shall be Tendered to Originating Carrier, for transportation, more Petroleum Products than can be immediately transported in interstate commerce on the line segment from the origin in Louisiana to the exchange point in Baton Rouge, Louisiana, the transportation furnished by Originating Carrier shall be apportioned among Shippers on an equitable basis. The line segment referred to herein will be prorated separately if necessary.
